

6. Parking: The City Staff has proposed 1 parking space for every two units, with a dedicated 1 space for 2 bedroom units (meaning some units will have no parking). Your WPA Board’s recommendation is for 1 parking space for each unit, regardless of how many bedrooms the units have. Do you agree or disagree with the Board’s recommendation?

6(a). Replacement Parking for CCSF: As it is now, there is no clear City Staff or CCSF policy for how the 1,000 CCSF parking spaces on the site will be replaced. If the 1,000 spaces are not replaced, it is very likely that CCSF students will park in Westwood Park and Sunnyside residential neighborhoods. Your WPA Board’s recommendation is that City Staff, CCSF and MOEWD need to clearly define in the RFP how the 1,000 parking spaces now on the site are going to be replaced and by whom. Do you agree or disagree with the Board’s recommendation?

7. Balboa Park Station Area Plan and CCSF Master Plan Transportation Infrastructure: As it is now, City Staff does not address funding or implementation of any necessary Master Plan Transportation and related Infrastructure improvements as a requirement of the development. This means the development could happen without the necessary transportation and infrastructure improvements, which would place an undue burden on surrounding neighborhoods parking, traffic and congestion conditions. Your WPA Board’s recommendation is that the larger Transportation Infrastructure improvements need to be planned, funded, and implemented before any Balboa Reservoir residential or mixed use development is final. Do you agree or disagree with the Board’s recommendation?
